All
are
sc
nly 12! Unless
I’m only kidding. Now let’s go start the basics of my own substituted lab.

It’s alright, Jimmy . We’ll fix your dance floor after a nice short break. I’m sure some Oh. an figure out how to-

Unfortunately, yes. Creating a building is way harder than we Fronks and all of us can handle.
That's an utter doomsday. What about the shining Crygors, Orbulon, and Ashley?
We were the first to wallow in pity and then suddenly most of our gang cuddled up here!

# Club

Jimmy! have gotten bad luck.

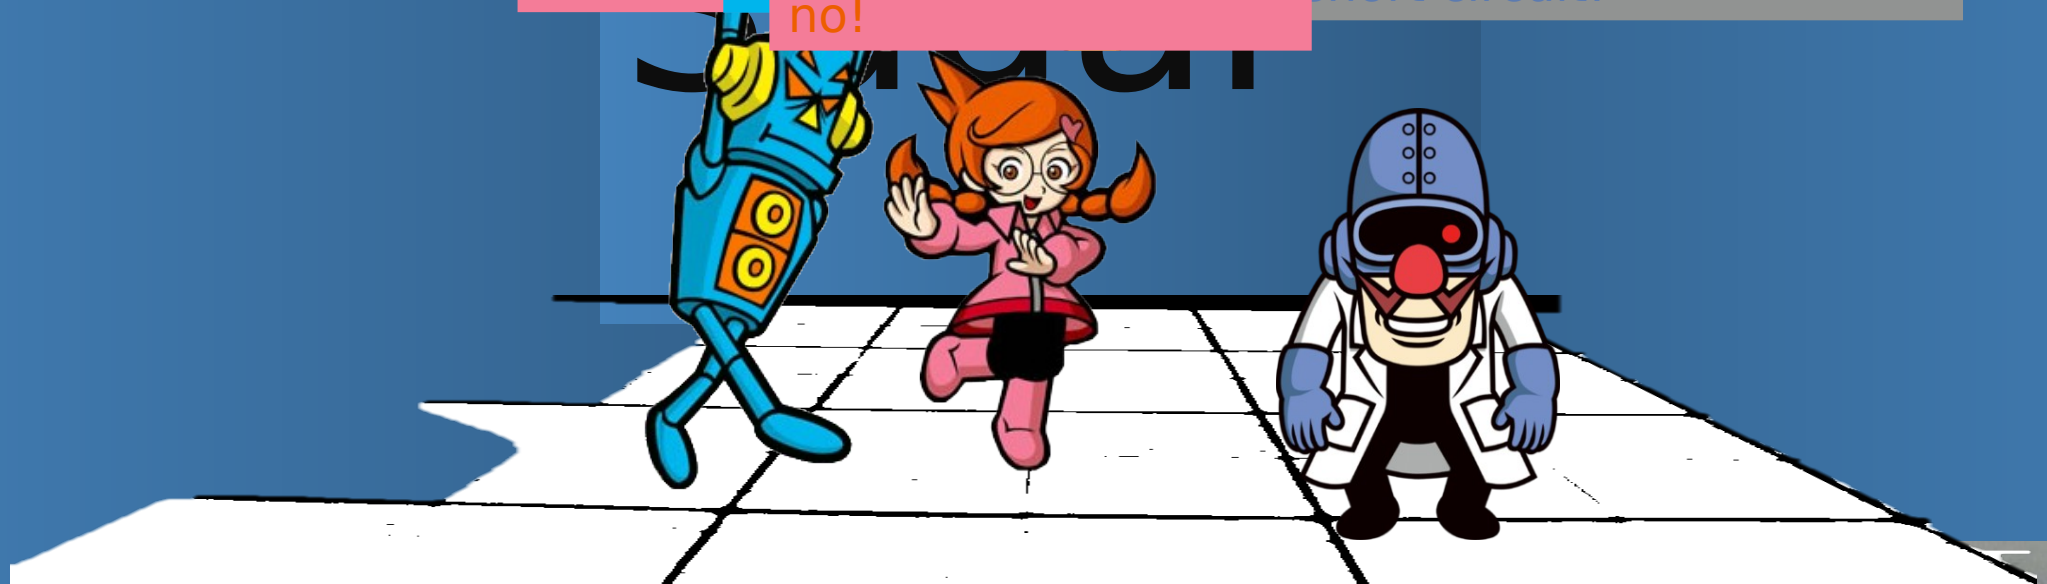
I wond

What is it, Mike- oh no!

ashes on the floor!

eone created a

short circuit!



Oh, this is bad news. I thought I've snuck in a snack for emergencies.
We prefer if had no germs, even if you had it, it won't make a difference.

# Club

Seems like it’s an

Yeah, but we’re not that kind who leaves everyone behind! I don’t see Orbulon or Ashley in the group so maybe we could ask them to reveal their secrets to success!

You called?

# Club

Did you look at our poor friends? They cannot complete a home for themselves! We can’t let them stay depressed. Also, one’s about to die!

Ashley’s?

I’ve overheard. Thankfully I have the perfect solution. Follow me!

direction.

Yeah!
Like your old game room, but better? I can paint the carpet to match your wishes!
ripped through it.

# Club

No wonder our dance floor suddenly sh of the wi m pa en again.

*connects

There! All fixed, nice and new.

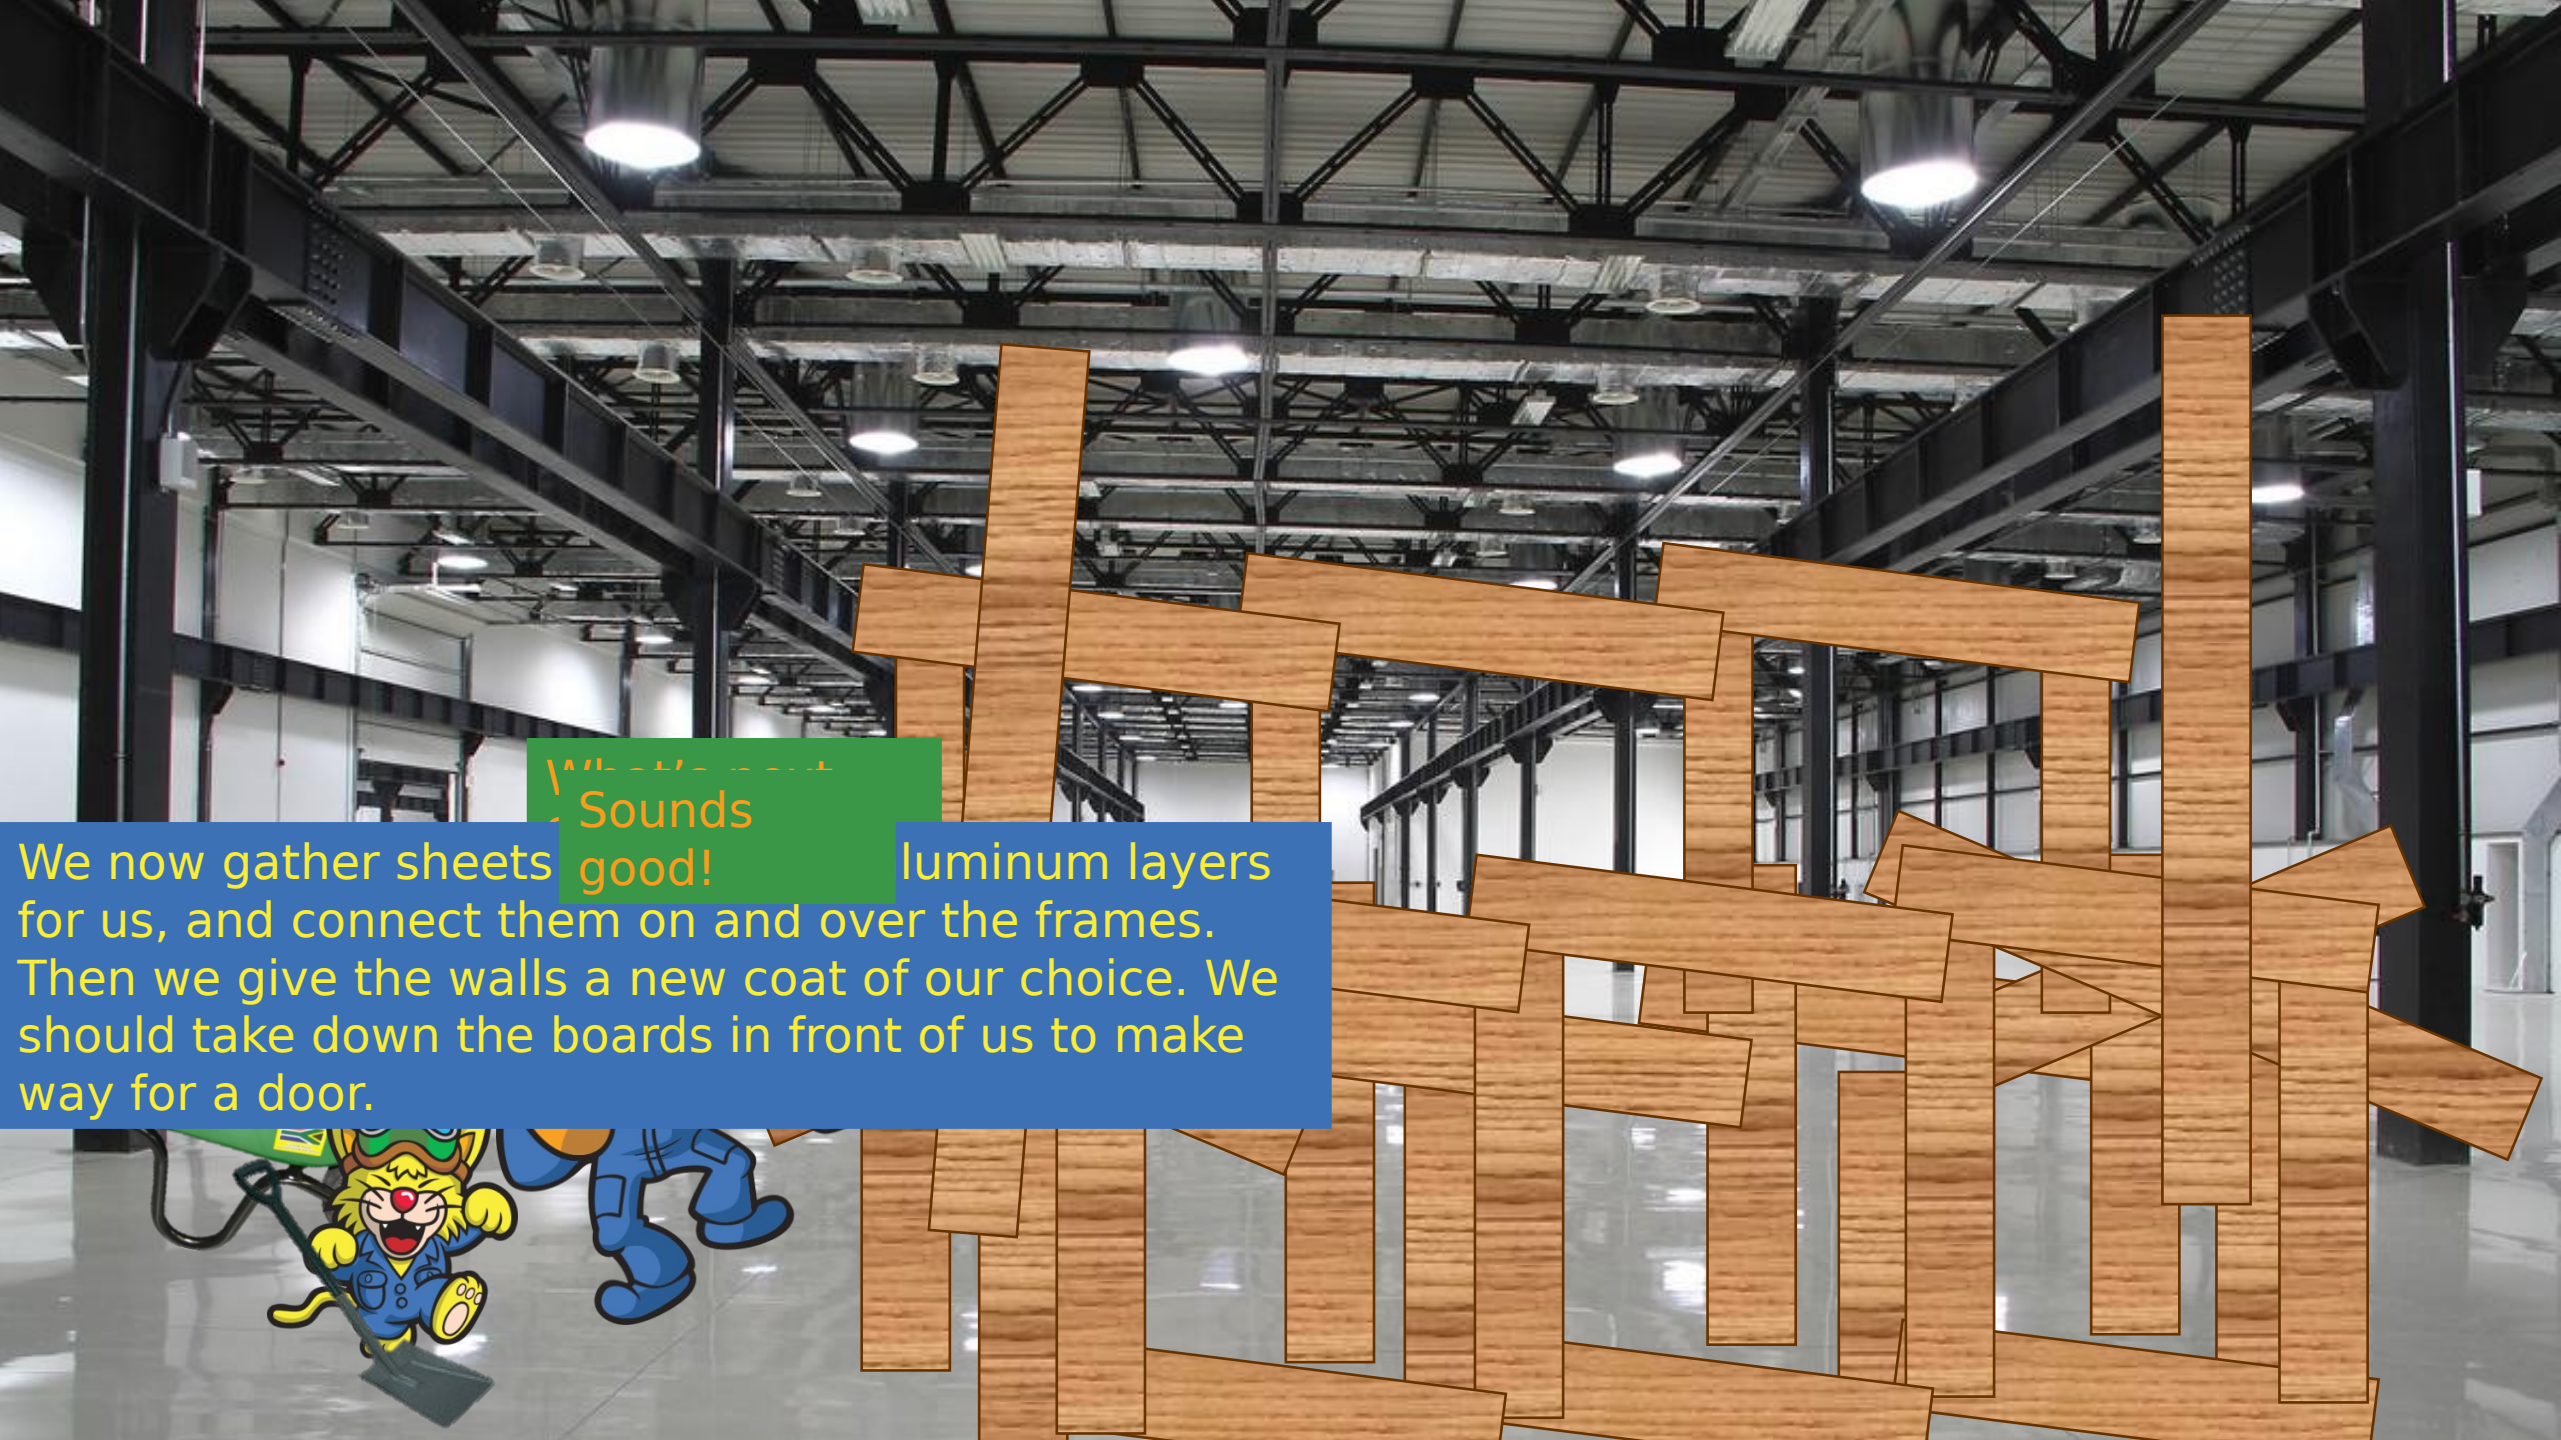
Once that's all finished, the party will be as fa

Mmmm! Who knew this cleaner can whip up a fabulous rhythm? If it's more louder, I can dig to that!

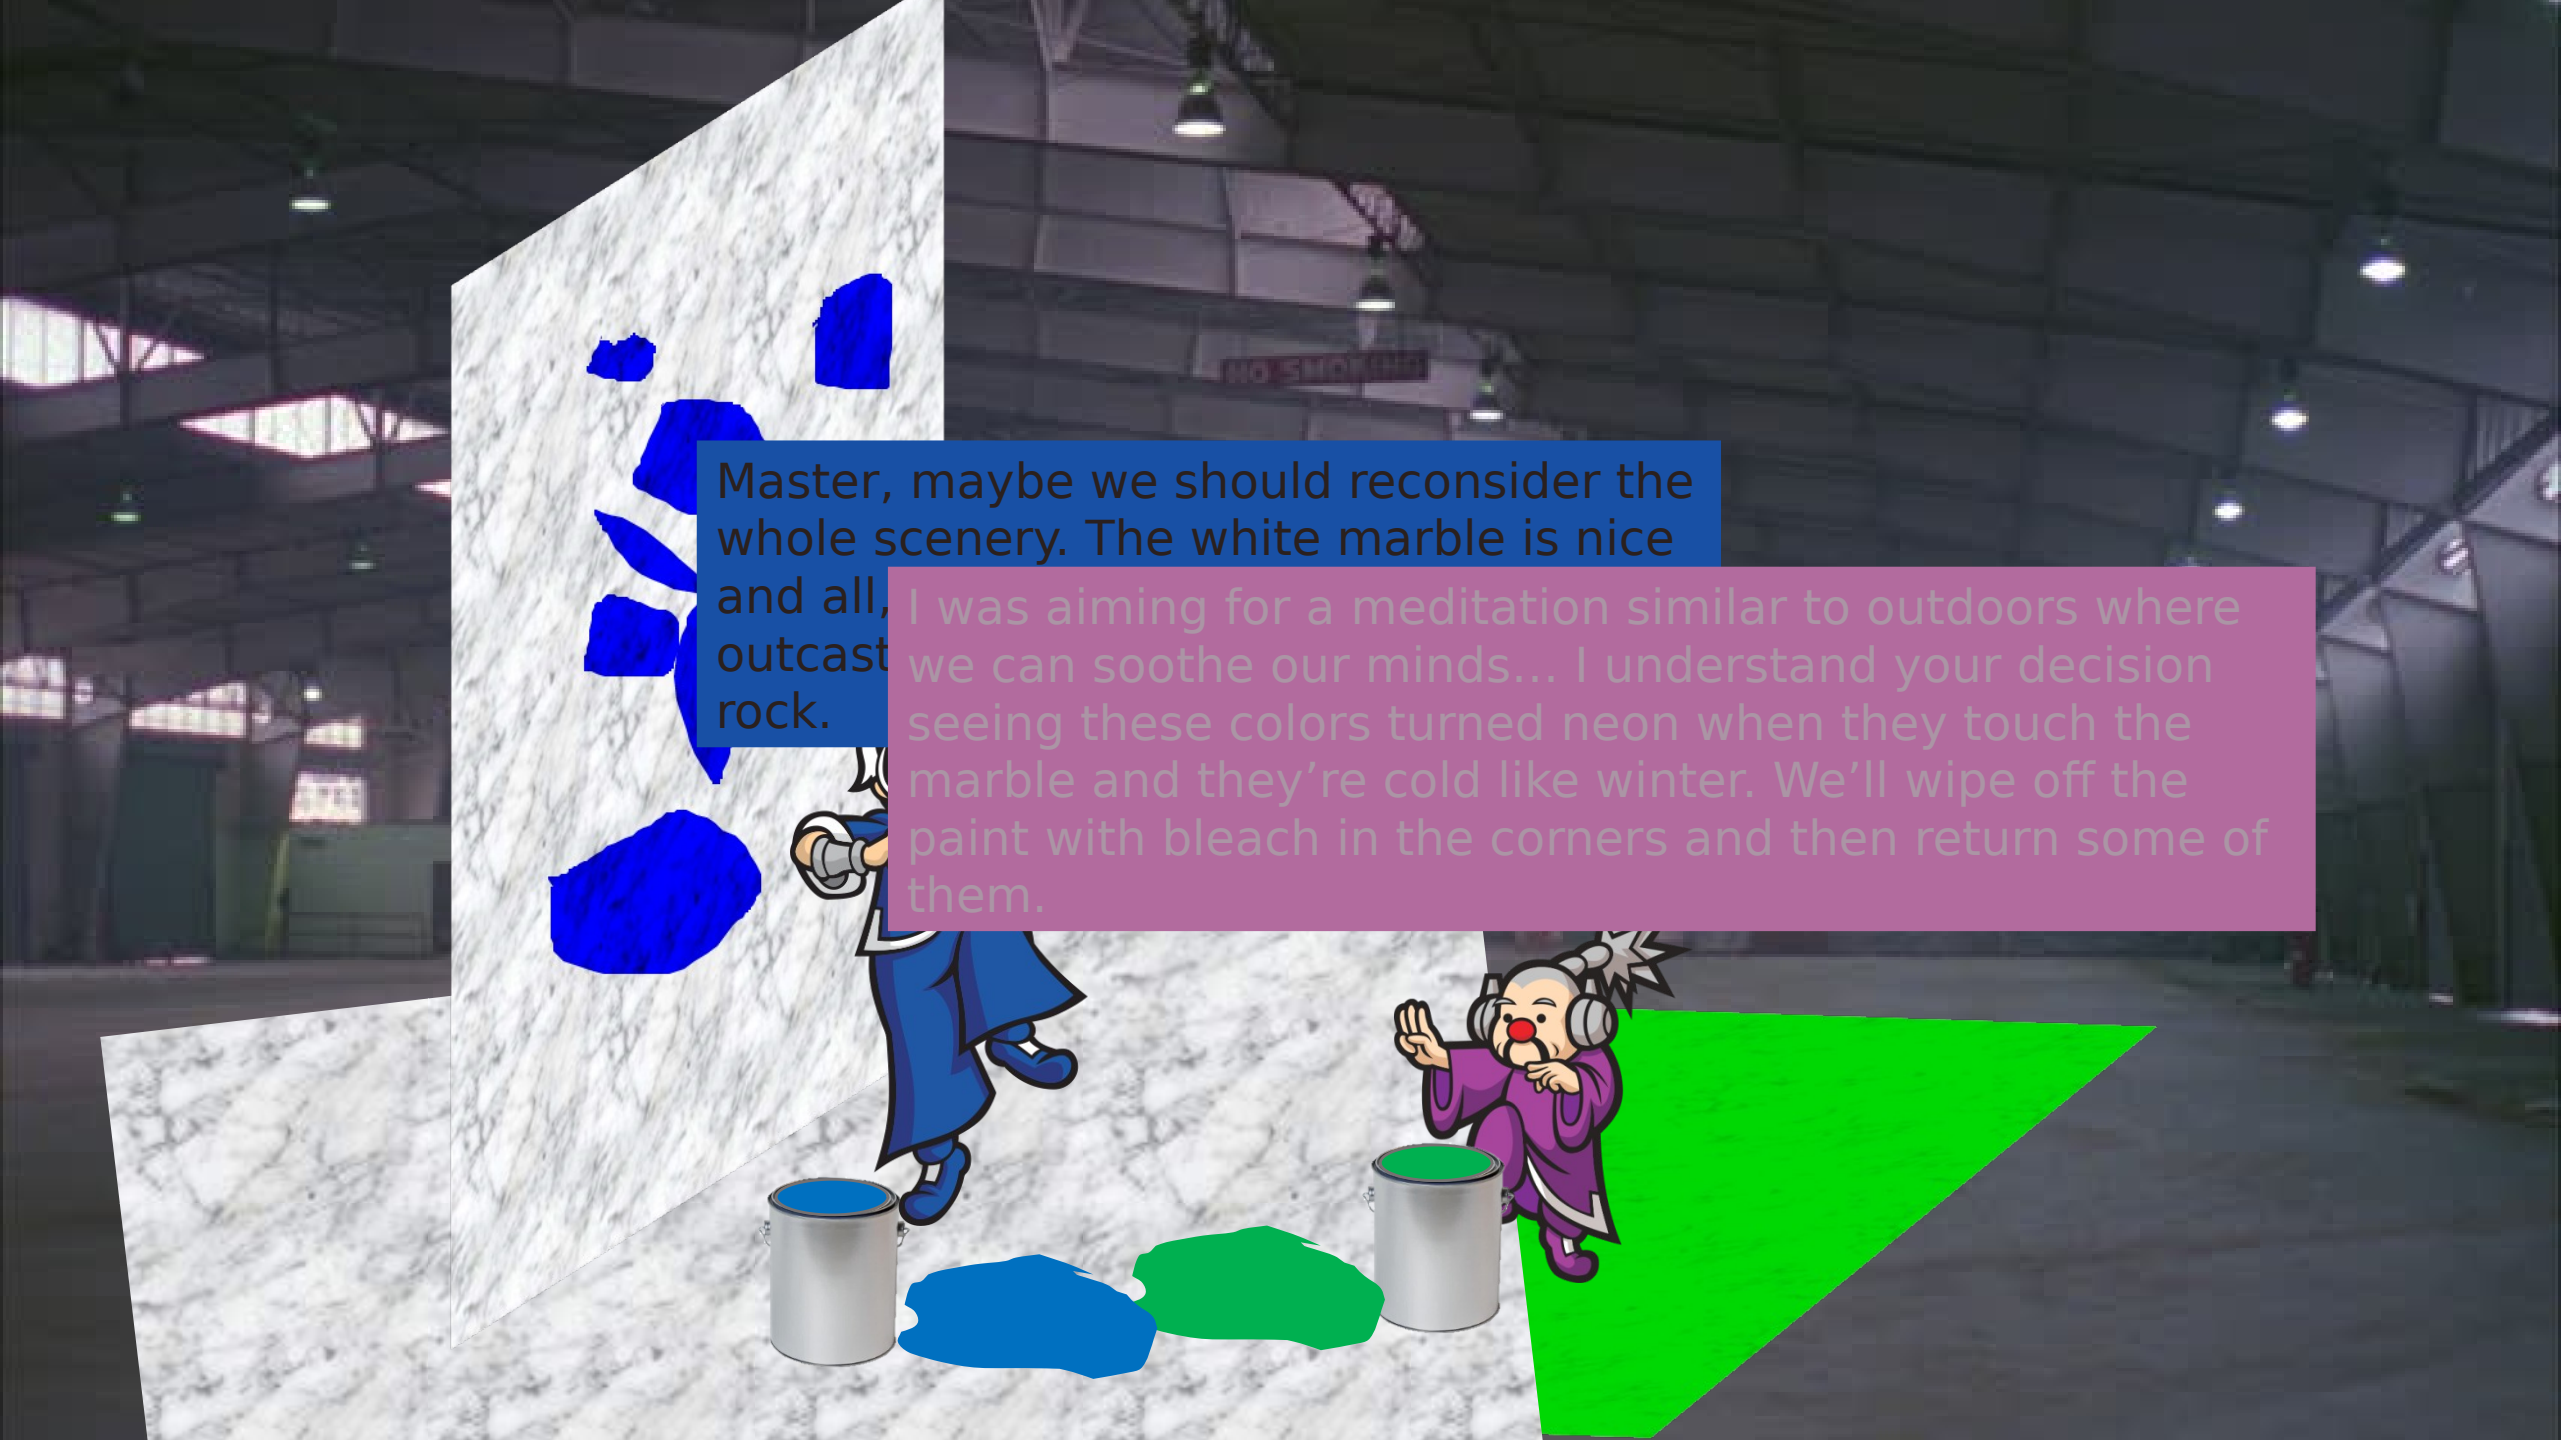
Patch-jutsu!

This time, I've followed the guides advice to hammer the boards more than one nail at each joint and Spitz applies the plaster to the edges instead of hot glue to keep it steady.

REC
Don’t ask why Wario kept all that kiddie junk in the big warehouse. This isn’t all arts and crafts, fool! Unless you’re making a house out of macaroni. Even then, I’ll eat it up.
Dribble, 42
Rough Toughie Cabbie



Sounds good!
We now gather sheets luminum layers for us, and connect them on and over the frames. Then we give the walls a new coat of our choice. We should take down the boards in front of us to make way for a door.



Master, maybe we should reconsider the whole scenery. The white marble is nice and all, outcast rock.
I was aiming for a meditation similar to outdoors where we can soothe our minds… I understand your decision seeing these colors turned neon when they touch the marble and they're cold like winter. We'll wipe off the paint with bleach in the corners and then return some of them.

*cheering
and
construct
Lo No. We'll wait until they've
tc finished. We can't be
th tracked snooping around,
do causing a ruckus.
h! How did that happen?
it come from the future? I
t to check this portal out!

# Club Su

Oh yea

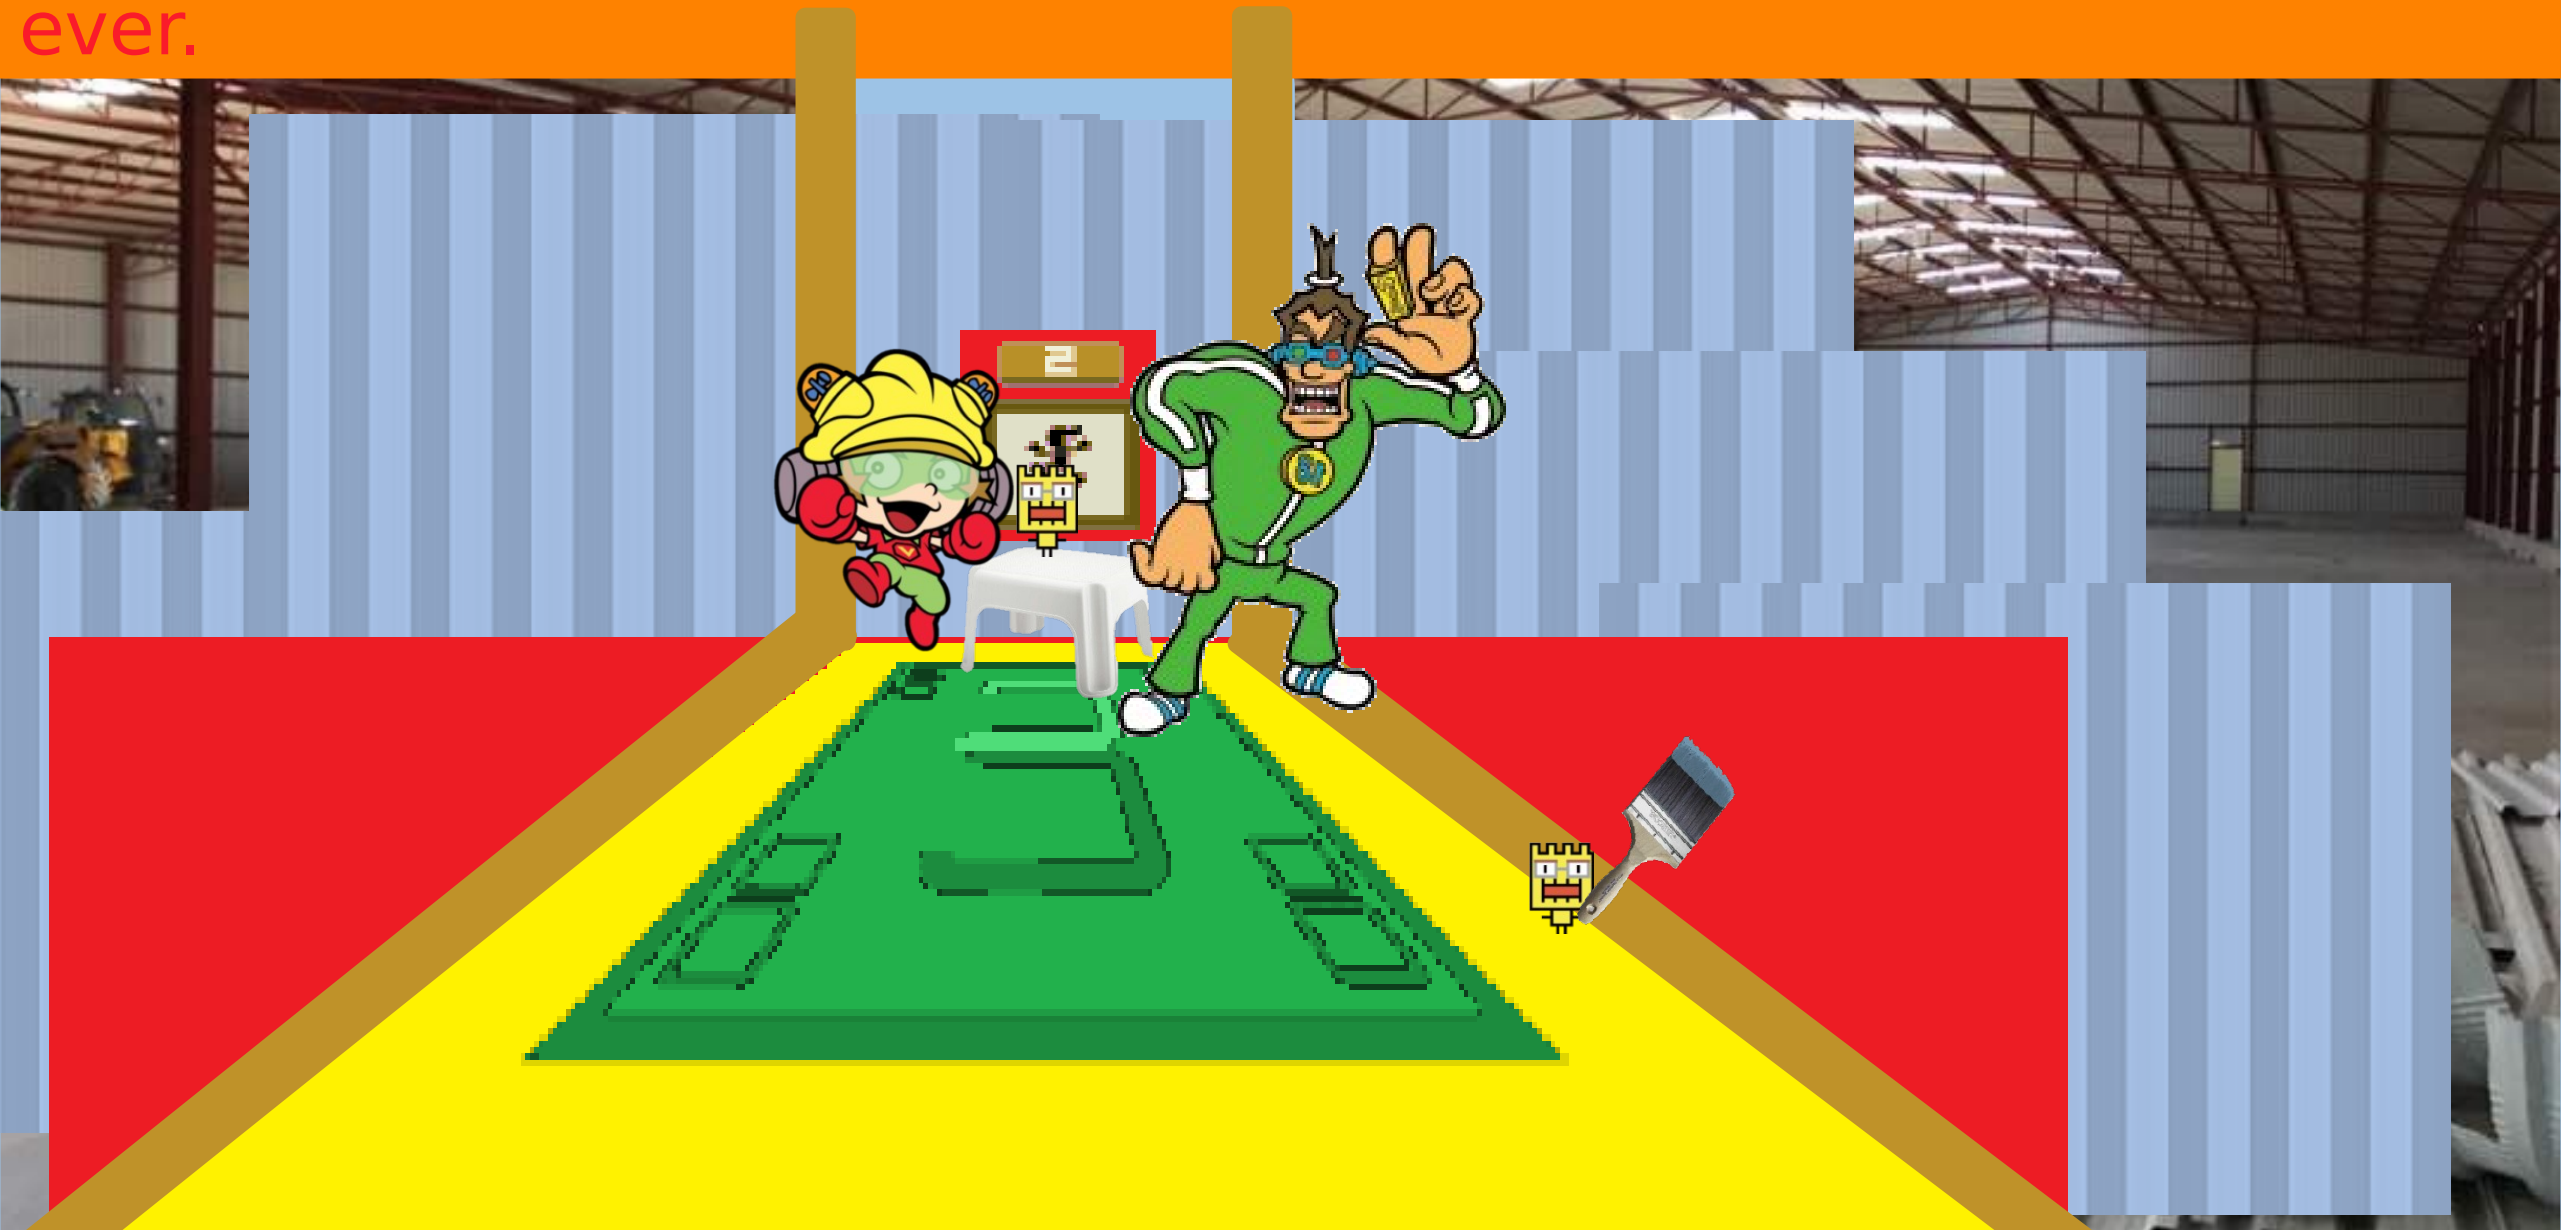
Oh
yeah!
is baby?

So glad, it’s not going haywire again.
Now let’s finish building my own

Thanks to the mysterious delivery from the vents, or sho d I say heaVents? *laughs

Sorry for the bad pun! I couldn’t help myself sometimes. *giggles

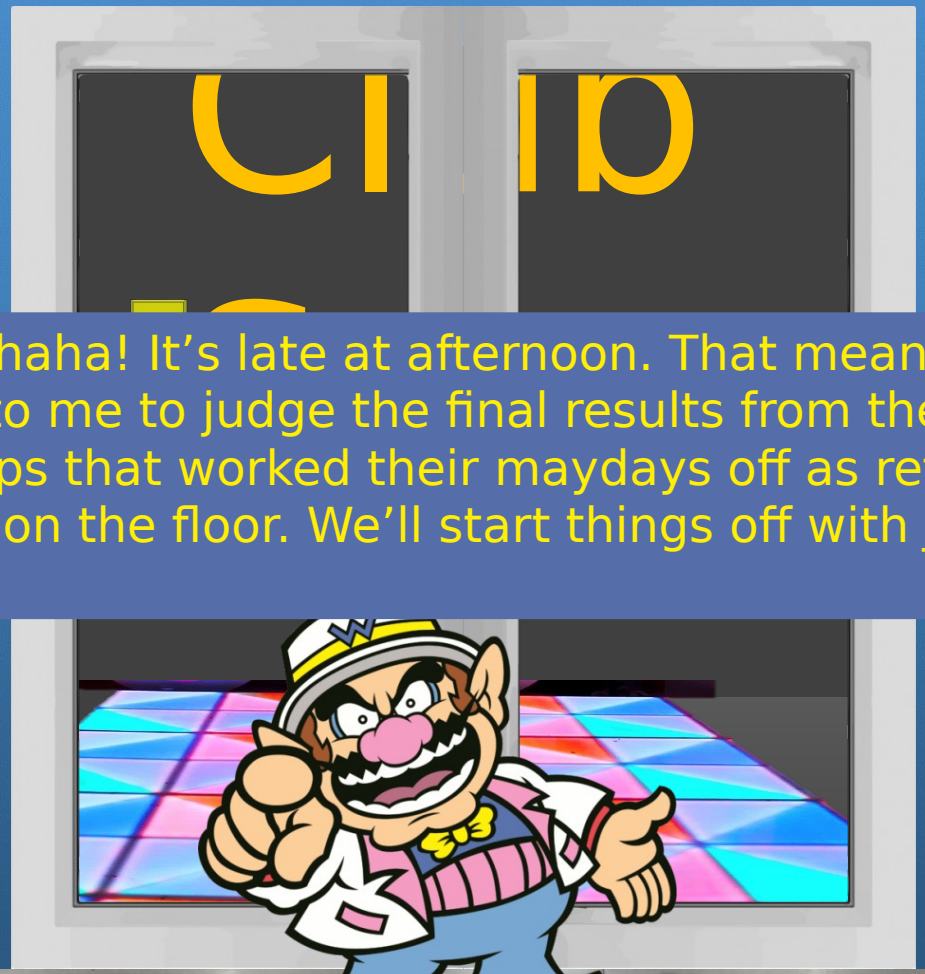
Anyway, since we got this mysterious delivery of how our city is made, we’ve got better at the basics of this challenge more than ever.



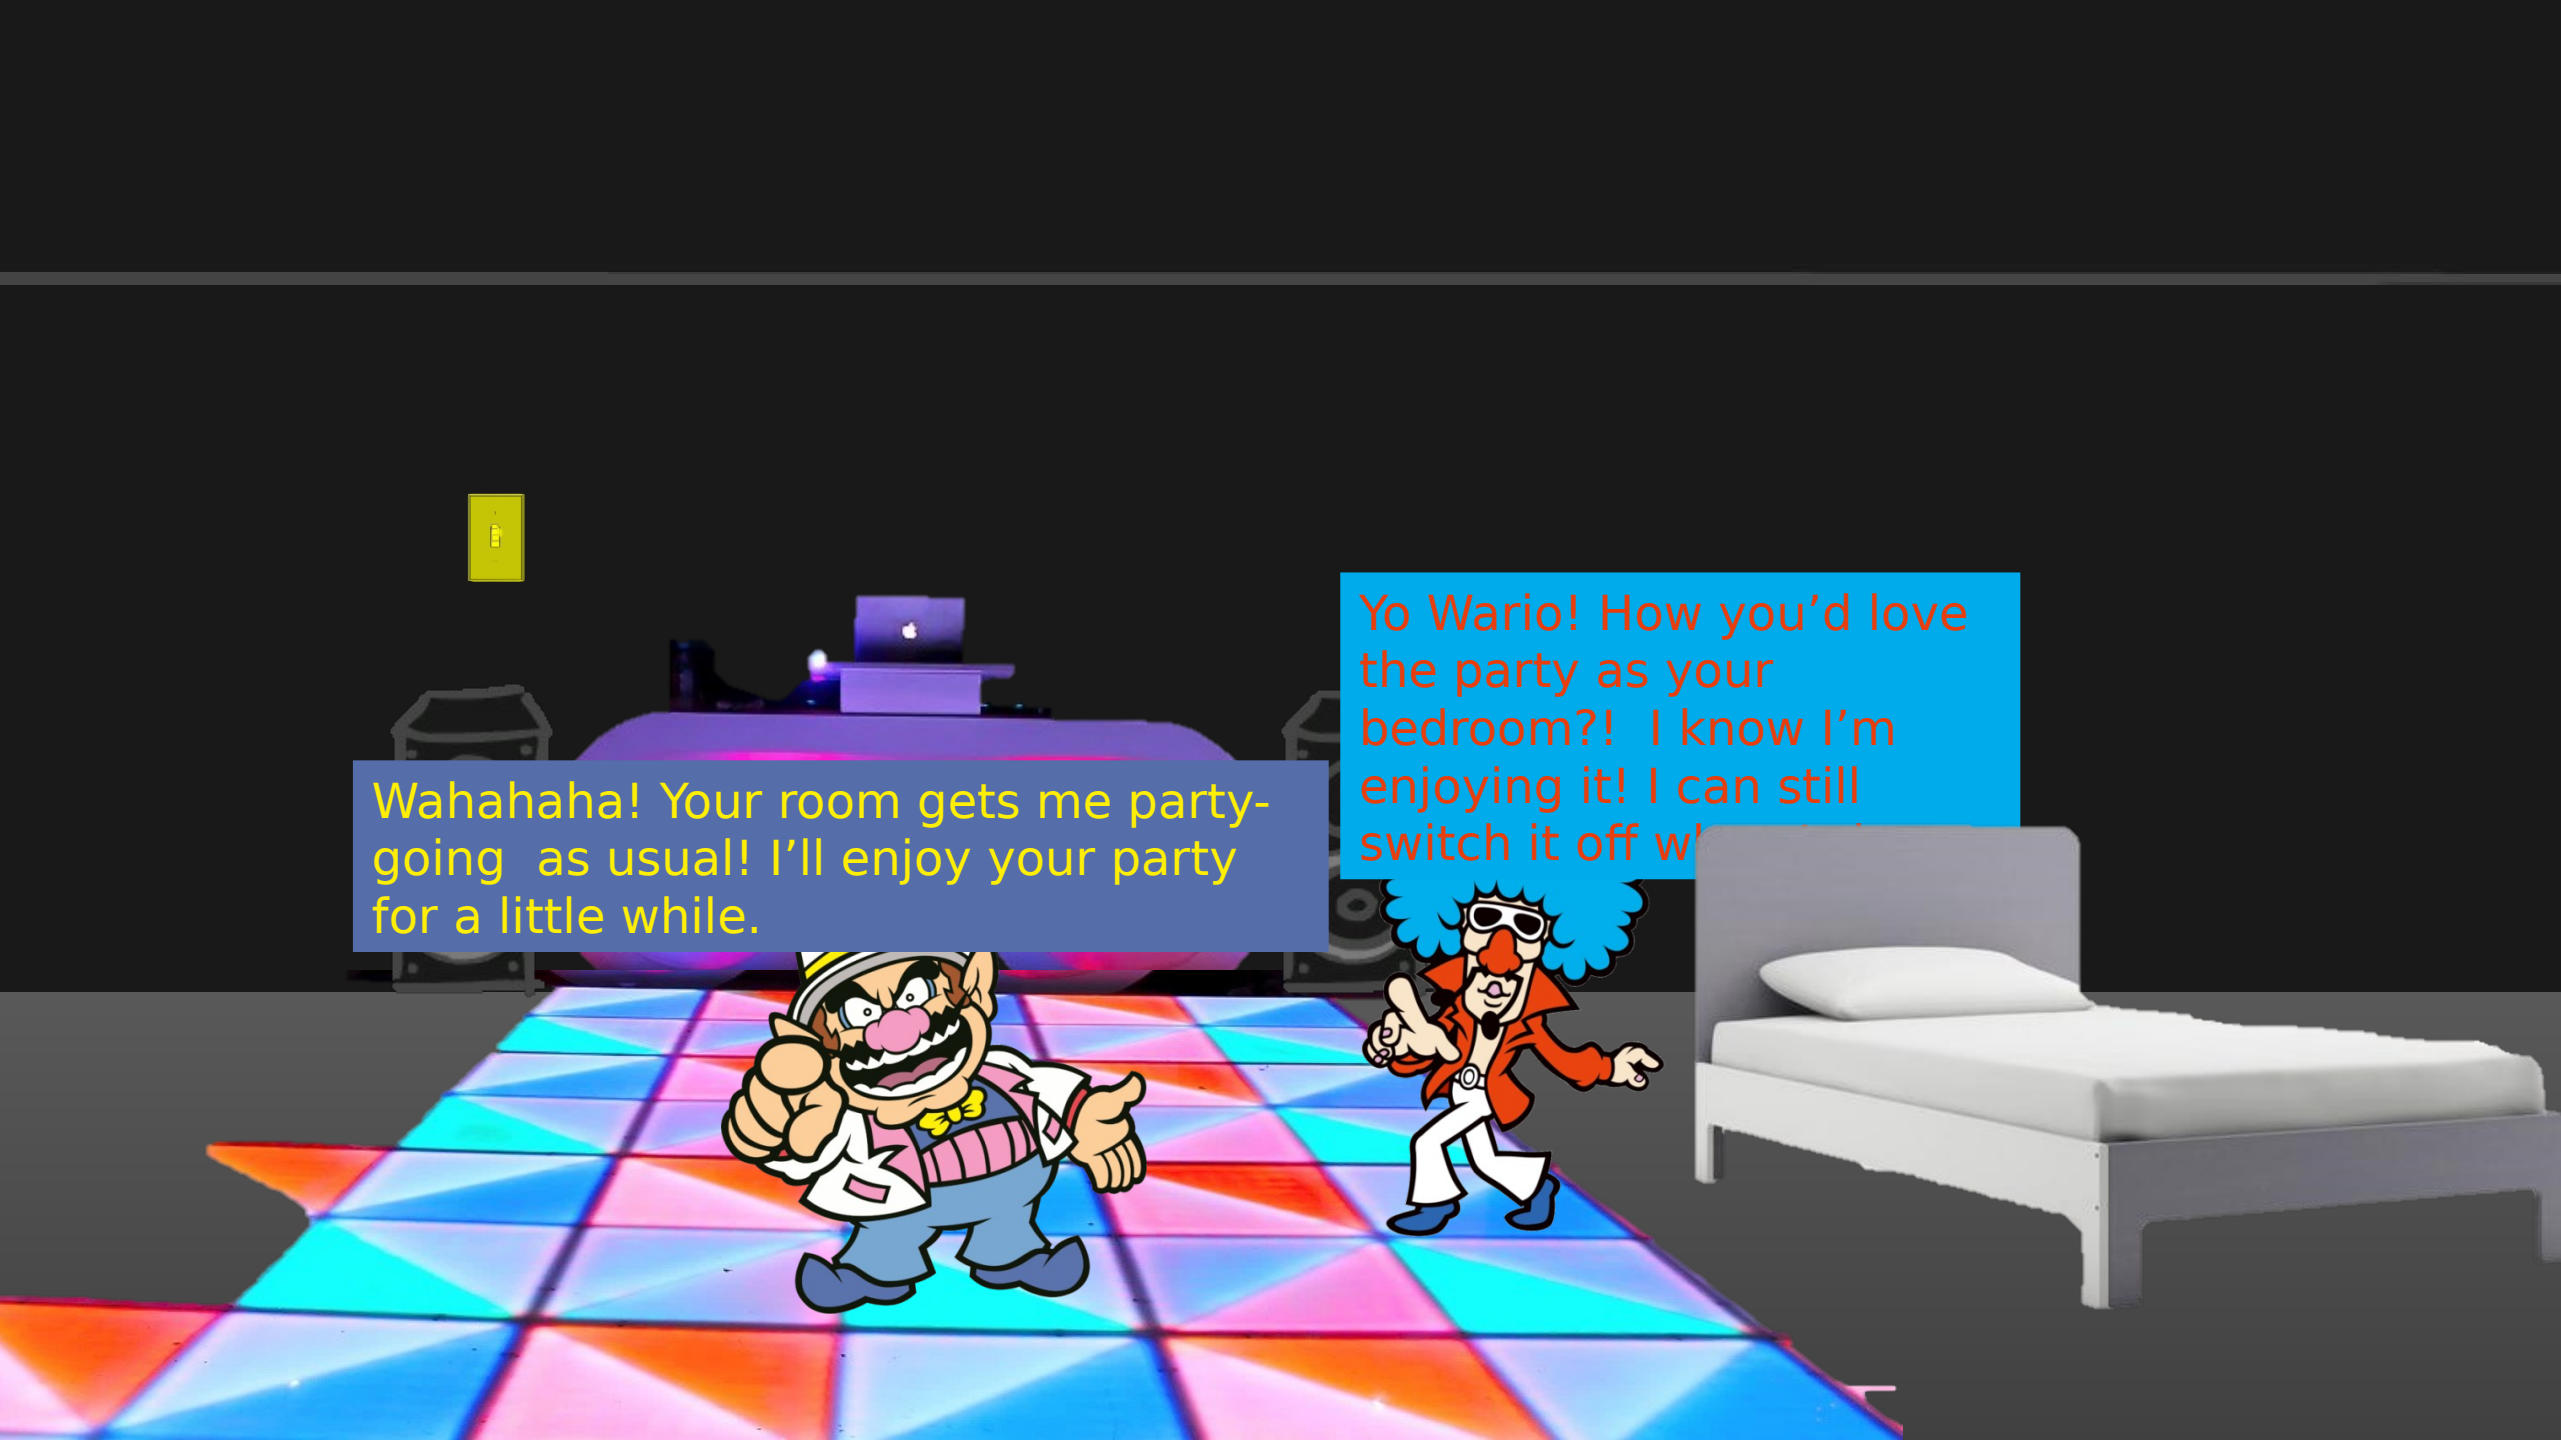
Fixing electrical wires, plumbing and even checking if something needs to revised or the help of someone else! And today, we've learned a new lesson.

REC
When in doubt of a distressful challenge, you can find another method out of nowhere to finish the remains of what seems to be overwhelming work and make enjoyment out of it! Everyone agreed after they've finished.
Mona, 18
Peppy Part-Timer

Alright! Looks like everyone is done! The big, bad judge will now check how you've renovate your own sleeping place.



Wahahaha! It’s late at afternoon. That means it’s time to me to judge the final results from these chumps that worked their maydays off as refusal to sleep on the floor. We’ll start things off with Jimmy T.



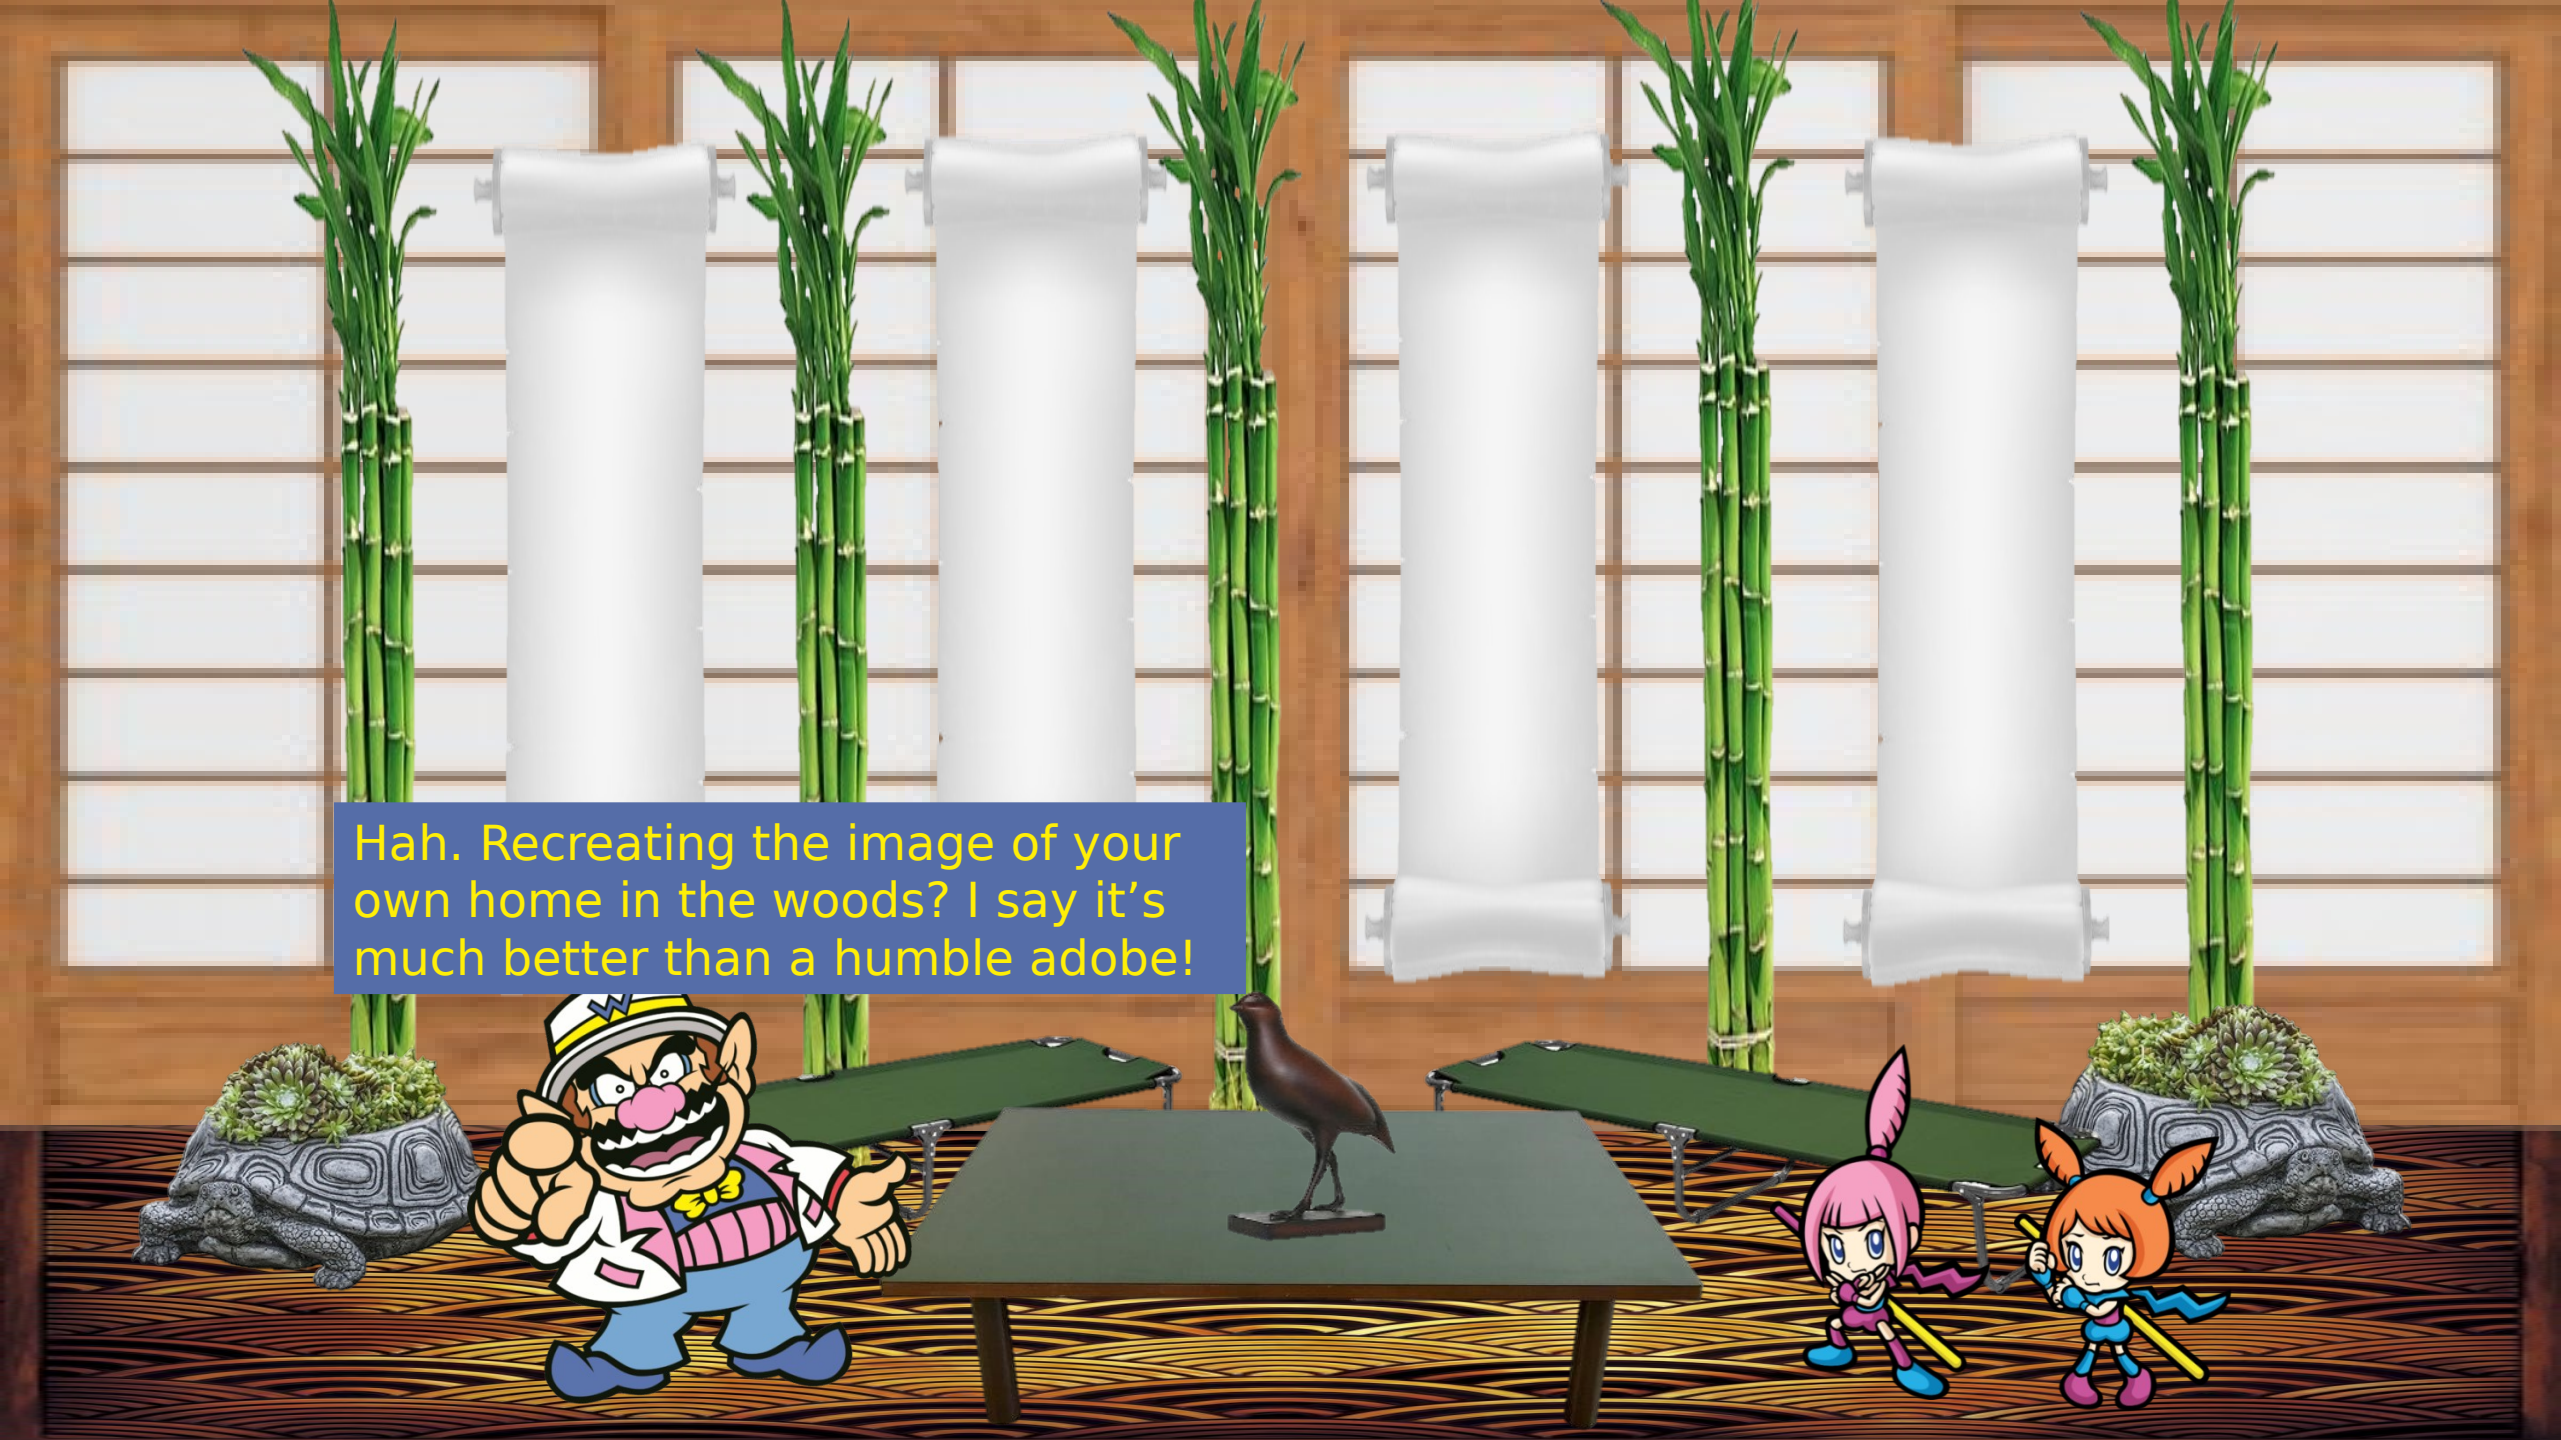
Wahahaha! Your room gets me party-going as usual! I'll enjoy your party for a little while.
Yo Wario! How you'd love the party as your bedroom?! I know I'm enjoying it! I can still switch it off w

Uh-huh. I'm neutral on it.
What? No other comments?

TOUCH!!
In that case, I say it’s perfect! The pictures of your previous jobs helped boosted my approval A tie between you and Jimmy’s!
Something like that. Except it’s not... “badly homemade’’.

Really? Your room is nothing but a mish
mash of your old room with
under a new coat! Bah! Zer
Ahem! Not all of us are experts! Besides they're just poor little gamers.

Uh-huh sure. My partner in crime ud of this.
Err...
Nothing.
Easy business. When you have ma Huh? u can save tons of time.

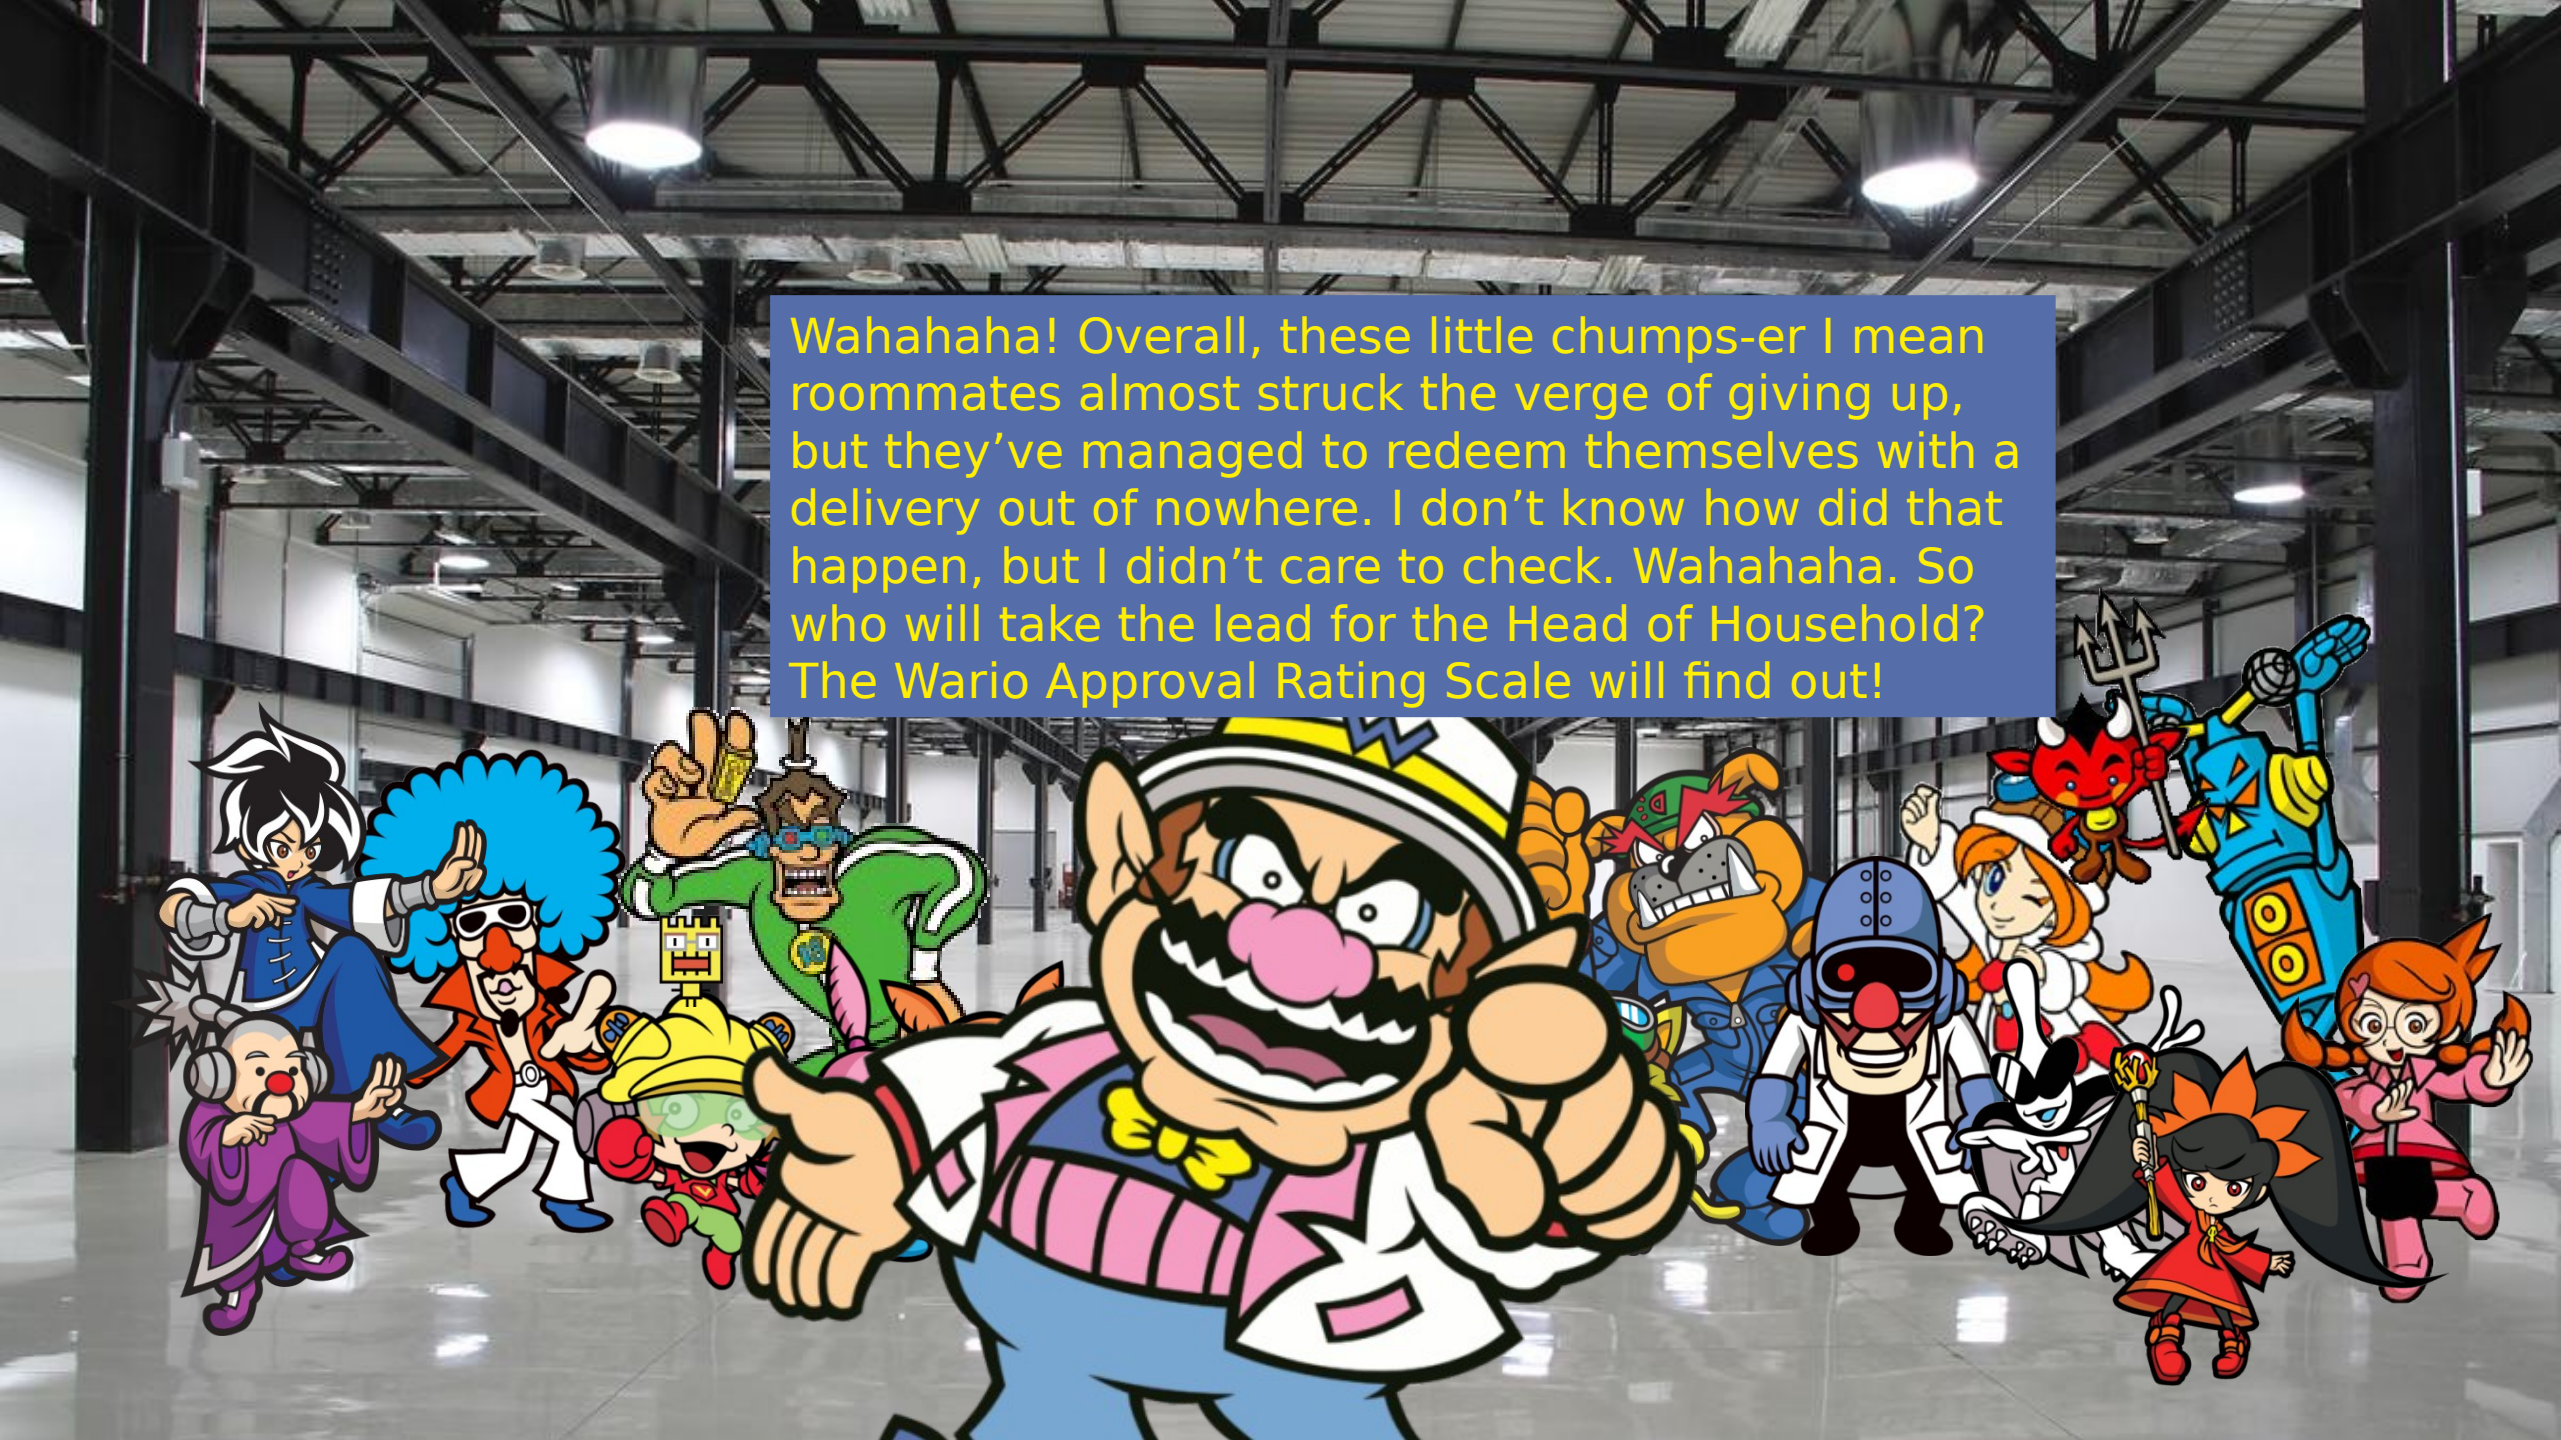


Hah. Recreating the image of your own home in the woods? I say it’s much better than a humble adobe!

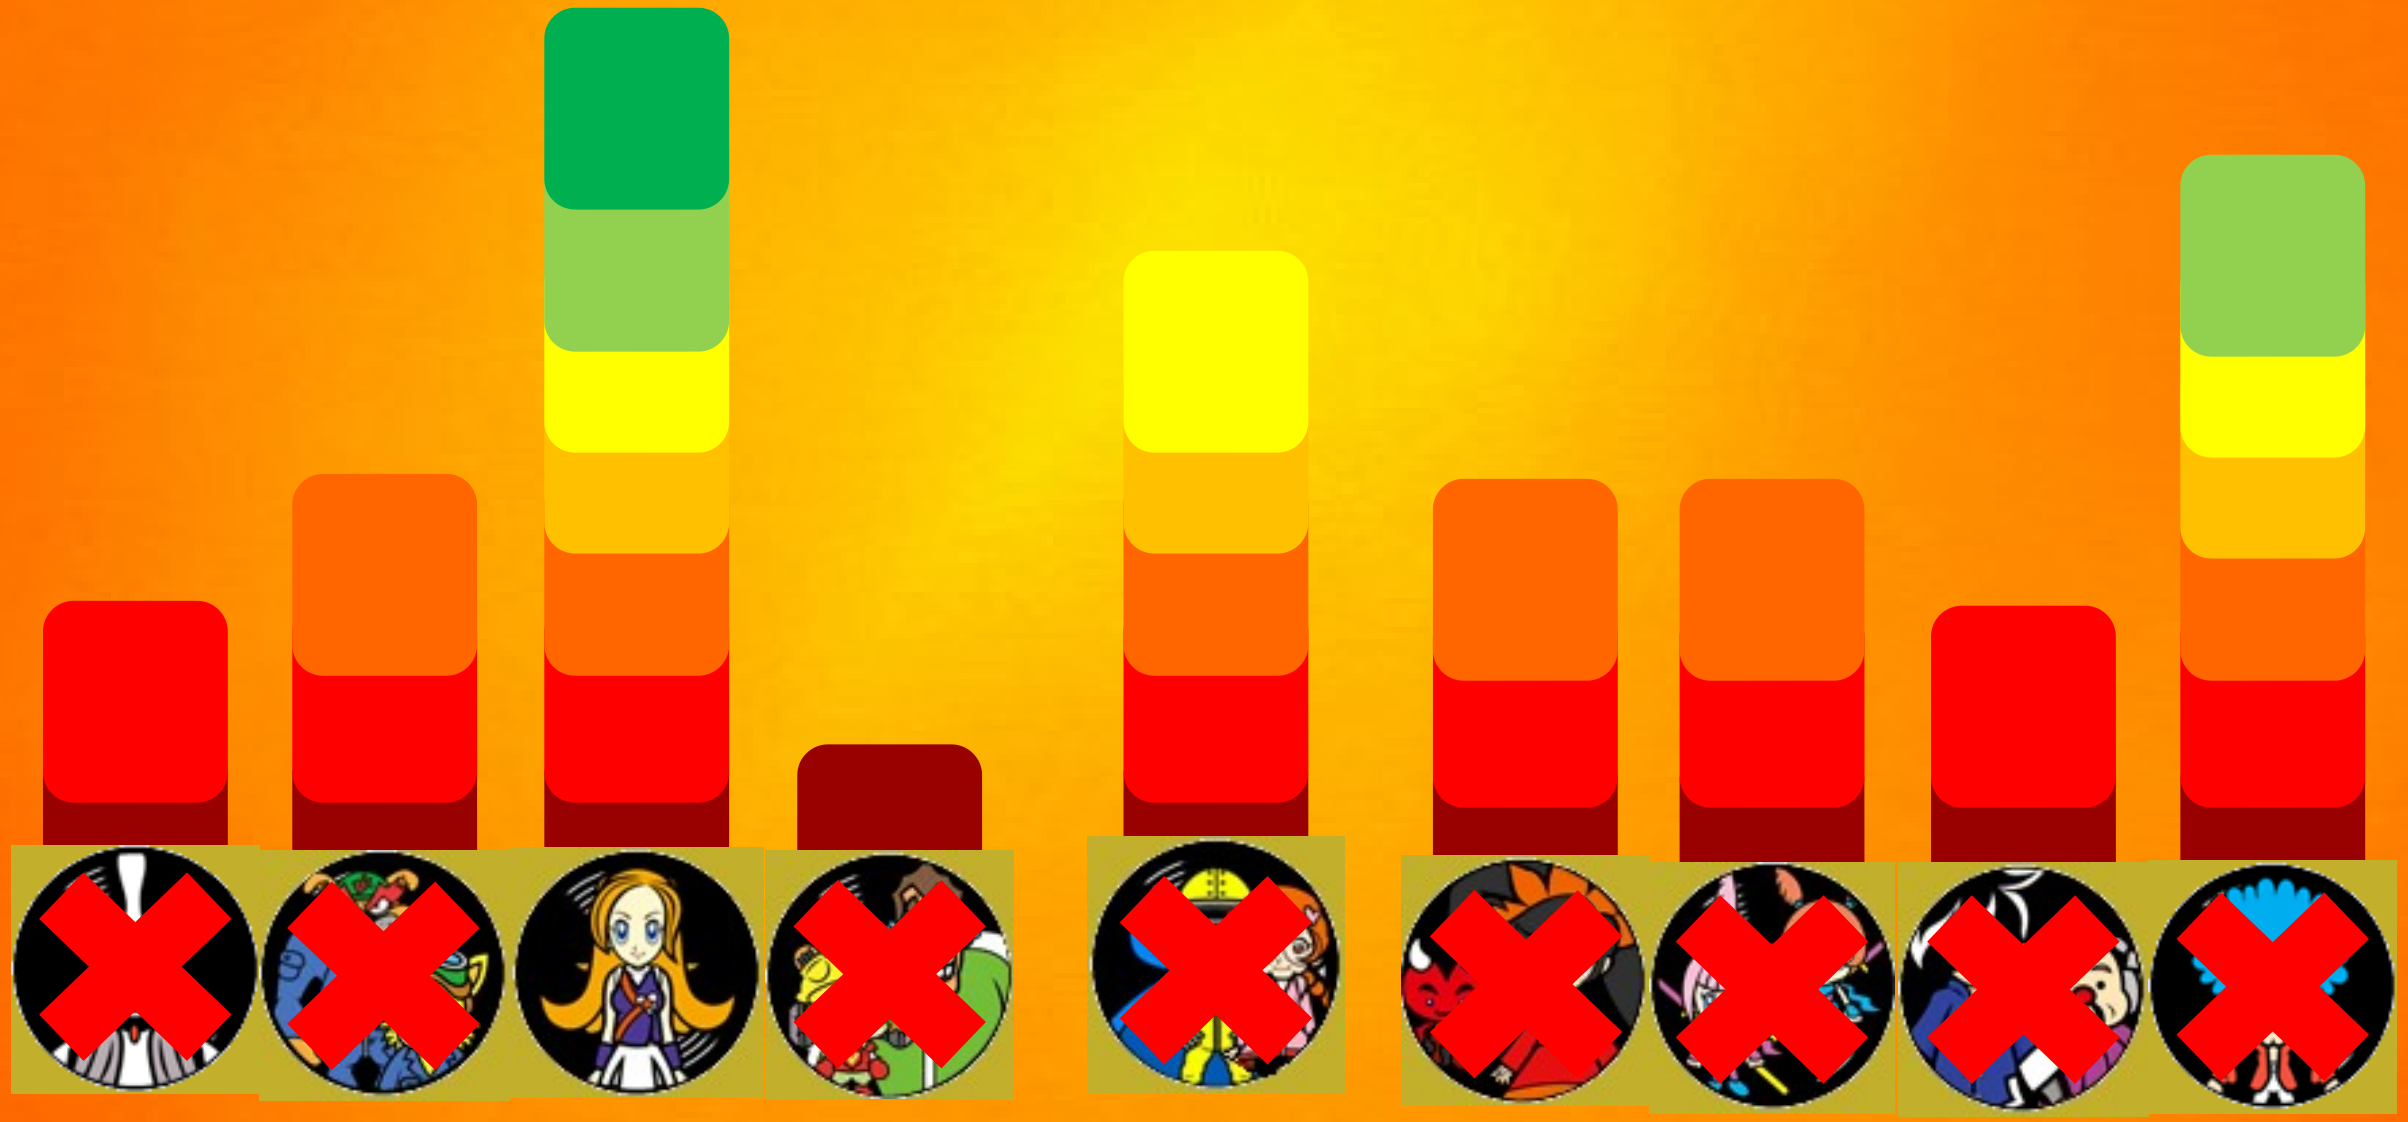
Really? This is a rehash of your recently destroyed Oinker! How can you fit your room in this?
It’s all in the minds of alien technology. No need to be rude.

What kinda of room is made up from plants, sugar and licorice all over?! What is this? Vanilla aha!
*growls
Ahem! Simplicity allows less stress in both and mind! Show some respect! And this paradise isn’t made of sweets!

Wahaha! I don’t need to. You’re both the same.
I’ve got my own separate lab too! You should check it out!



Wahahaha! Overall, these little chumps-er I mean roommates almost struck the verge of giving up, but they've managed to redeem themselves with a delivery out of nowhere. I don't know how did that happen, but I didn't care to check. Wahahaha. So who will take the lead for the Head of Household? The Wario Approval Rating Scale will find out!



Wahahahaha! It was a tough decision between the final two. Jimmy's dance floor got me laughing, but
sign! She's the
C Yeah! 5 more days of th
to here! Come on everyon
! gather up at my room a
day away!
Then Wario will bite me or worse!
*happy cheering
No! I never meant to win this challenge! Jimmy, I told you we should chan gem
I'm in!
Apologies! I d now you were intending to lose! But look on the bright side, you still have a week or 5 more days to finalize your decision.

Oh yeah! Nothing like a celebration dance party after a stressful day of building then flunking and back on track! Whoohoo!
